**Subject: Solidarity from WVA**

Dear President Arslan,

Dear Colleague,

On behalf of the WVA Council, its Secretariat and all its member associations, I express our sadness and solidarity on the consequences of the earthquakes that recently struck Turkey, causing so many casualties and damage.

WVA keeps at your disposal for anything that you and the Turkish Veterinary Medical Association may consider that the WVA can be of help.

Please pass on to the whole Turkish veterinary family the solidarity and support of the World Veterinary Association.

Yours sincerely,

**Dr Rafael Laguens**

President of the World Veterinary Association
